

Dear Friends and Family,

Holiday Greetings from the Hudson Family! It's been a busy year for the ever expanding Hudson clan.

Little Kylee isn't so little anymore! 2010 brought her 2nd birthday much to everyone's delight. We ate all her favorites for her birthday dinner and that meant the family dined on mac 'n' cheese, hot dogs, and pickles. Kylee got good practice opening gifts on her birthday, and her favorite gift was definitely the one Dad (Matt) got her: her very first doll house!

Olivia had her 1st birthday this year - she's growing up and changing so fast! Natalie sent some adorable pictures from her party in Georgia, where James and Natalie are living. She did her cake justice and looked adorable in her birthday clothes. We all look forward to celebrating with Olivia when we see them for the holidays. And we're glad she also got some practice at opening presents as we'll undoubtedly spoil her while she's here with us for Christmas!

Michelle and Joey had an addition to their family - one of the furry kind. Back in August they got a little beagle named Copper who loves to come to "Grandma and Grandpa's" house and get lots of treats and attention.

Tiffany and Gavin are a couple on the move! As Gavin finishes up his law degree he's been working and going to classes in Washington, D.C., Moscow, ID, and in Boise. They've had some amazing adventures and met some wonderful people along the way.

Spencer is looking to start school in January at one of the newest local colleges. He is a favorite uncle with the grandkids and a wonderful brother - reaching out in support or helping everyone out in a pinch.

Mike and Cindy have a magnet on their refrigerator that says: "You don't have an empty nest until all kid's stuff is out of the garage!" If this is the case - they don't plan on ever being absolute empty-nesters. And with a home that's built on love, faith, family and tradition, we all stand by that old, familiar carol:

*Oh, there's no place like home for the holidays!*

May your homes be full of joy and love and we hope this update finds you happy and healthy this holiday season. This Christmas finds us all grateful for the blessings and joy of family and our Savior, Jesus Christ and we hope you feel His love as well.

Love, The Hudson's
