

Dear Friends and Family,

Holiday Greetings from the Hudson Family! We hope this letter finds you all happy and well.

Our family continues to grow by leaps and bounds! Matt announced his engagement to Kim Woodings in November. They are planning to get married after the New Year and she is a welcome and fun addition to our family. Kim is a very talented decorator, and she and Kylee are having fun putting together Kylee's room in their house.

Tiffany and Gavin welcomed baby Emery Alice to their family in October. She is a happy, healthy baby and much loved by everyone—especially her little cousins Kylee and Olivia. This year also marked a big change for the Giraud's: Gavin graduated from law school and in August he passed the bar exam.

Much to everyone's delight, Natalie moved back to Boise from Georgia. We are so glad to have her back with all of us, and doubly glad to have Olivia close by to watch her grow! Olivia turned two this year and we had so much fun watching her eat cake with no hands.

Spencer made the big move to historical downtown Boise. He knows all of Boise's cool haunts and hidden gems—the whole family is eating out better because of it! Spencer is working and attending College of Western Idaho and being a wonderful brother and uncle.

Mike had a wonderful year: he had some good hikes this summer—his favorite being his hike up Castle Peak with Gavin. He survived another round of layoffs at HP and is grateful that he has projects to work on that he enjoys.

Cindy loves being a grandma and gets to spend a lot of time with her granddaughters. With Christmas around the corner she is starting a whole new set of traditions with the grandkids and bringing all the fun, games and excitement back to the house.

Michelle and Joey took a cross-country trek in the fall and got the chance to stop in Loveland for a day. Matt and Kim also took a trip down to Colorado and both Matt and Michelle were so happy to visit the people and places we all loved.

Merry Christmas and Happy New Year! May you feel the love of our Savior this season, and know of the love our family has for you!

Love, The Hudson's
